

How to look up property information on the integrated GIS website

1. On the main GIS page click **"SEARCH"** as indicated by the red arrow.

2. **Type in your search request.** Parcels found from the search will be on the right side of the screen. Searches can be made by property address, owner name, or a combination of both. For example, If "Bee" is typed in, all owners with the name of "Bee" will come up and all properties with a Bee Street address will also come up. To further refine the search; type "7 Bee." The screen will look like this:

- “Left click” to select the parcel you want. The following screen will come up. Parcel information is on the left, use the scroll bar to move down and see more information. Map views and tools are available in the center. Map can be zoomed in and out using scroll wheel on mouse.
